Toy Hosts Town Hall Meeting on Veterans Issues

Hosts discussion on veteran benefits, health services and homeland security on May 5th

LANSING – Senator Laura Toy, Chairwoman of the Senate Senior Citizen and Veterans Affairs Committee, is scheduled to host a Town Hall meeting on veteran's issues on Monday, May 5, at the Livonia Senior Center at 7:00 p.m.

“I look forward to meeting with veterans, their families and community members to discuss thoughts and concerns on veteran's benefits, the quality of health care and homeland security,” Toy said. “This town hall meeting will allow me to gather important information to discuss with my colleagues in the Michigan State Senate, and help us better represent the brave men and women who defend the freedom and principles of the United States of America.”

The Town Hall meeting will be held at the Livonia Senior Center located at 15218 Farmington Road in Livonia.

Veterans and residents who are interested in attending the meeting are encouraged to RSVP to Senator Toy's District Office at (734) 466-4257.
